NEW ISSUES RAISED WITH RAILWAY BOARD UNDER RTI ACT

RSCWS URGES FOR EXPEDITIOUS SETTLEMENT & TRANPARENCY IN REIMBURSEMENT OF MEDICAL BILLS

Railway Senior Citizens Welfare Society (RSCWS), Chandigarh, has urged the Railway Board to evolve a suitable system to ensure expeditious settlement of bills for Reimbursement of Medical Expenses of Railway employees and Pensioners - covered under the RELHS. The issue has been raised under the Right to Information (RTI) Act, 2005, under which it is obligatory for the Government to deal with issues within the stipulated time.

It may be recalled that RSCWS had earlier raised, under RTI Act, the issue of definition of conditions of “*emergency*” under which a patient could get treatment in Government or Private Hospital. The Railway Board in response had not only issued detailed instructions, for the first time in this regard, but had later on also accepted (*in response to a subsequent query*) that the detailed conditions defined under ECHS, are also equally applicable in case of Railway beneficiaries. (*Both these replies along with enclosures thereof, have already been published in the previous issues of the News Letter of RSCWS*)

Issues of supply of Medicines prescribed by Specialists, by the Railway Hospitals – instead of cheaper alternatives thereof and Schedule of Powers of Doctors at Divisional, Zonal and Board’s level, has also been taken up in regard to referring of cases to Private Hospitals and for reimbursement of medical bills.

Issue of refund of excess amounts charged by IRWO for its flats has also been taken up separately with IRWO under RTI Act. (*Please see Details inside - on page --*).
