Ref: -GOI Min of Personnel, Public Grievance & Pensions, DoP&PW  
F.No. 4/34/2017-P&PW(D) Dated: - 31-01-2018

Respected Sir,

1. Vide above referred letter, the FMA was revised from Rs. 500/-PM to Rs. 1000/-PM in the year 2018 to meet the day-to-day expenses on medicines for those retired Central Govt. Beneficiaries who are residing beyond 2.5 KMs from any CGHS dispensary or any other health unit corresponding Health unit administered by other Ministries/Departments. On the other hand EPFO pensioners continue to get Rs. 2000/- PM since 01.03.2013.
2. Since 2018 till date the FMA is paid per month on the above rates. In these five years price index has risen manifolds and rates of medicines also increased exorbitantly.
3. Moreover, Parliamentary committee on Pensioner's Grievance in its 110<sup>th</sup> report already submitted on 10.12.2021 has recommended the enhancement vide para 3.14, sub Para (iii) "Fixed Medical Allowance may be enhanced from Rs 1000 to Rs 3000 per month since most pensioners are suffering from different diseases at old age and are unable to manage with meagre pension as CGHS hospital is not available in every town".
4. As per para 2.21 of 120<sup>th</sup> Action Taken Report, "DoP&PW will take-up the issue of enhancement of FMA with the Finance Ministry."
5. In view of above Fixed Medical Allowance be enhanced from Rs 1000 to Rs 3000 per month since most pensioners are suffering from different diseases at old age and are unable to manage with paltry sum of Rs. 1000/- per month.
