## RAILWAY DISPENSARY STARTS AT MOHALI STATION

Northern Railway's Ambala Division started a satellite dispensary at the Mohali Railway Station platform 1 on 3<sup>rd</sup> October, 2023. The facility will cater to Railway Employees and retirees on every Tuesday and Friday (except Holidays), from 9:30AM to 12:30PM, said Divisional Railway Manager (DRM) Mandeep Singh Bhatia.

All employees and retired personnel can avail the facility by producing valid UMID card and prescription from ADMO, Chandigarh, or divisional hospital, Ambala. "Only a pharmacist will be available at the satellite dispensary for the time being," he said. TNN

**RSCWS:** It is a matter of pleasure that a satellite/lockup dispensary at SAS Nagar (Mohali) Railway Station has been opened for the benefit of Railway Beneficiaries. This satellite dispensary will be of much relief to the Railway Beneficiaries settled in and around Mohali and for those Beneficiaries working/settled at Kurali, Ropar, Nangaland adjoining areas of Mohali.

RSCWS thanked the DRM/UMB and requested that since pharmacist will only issue medicines, a Railway Doctor should be also nominated to attend the Railway Beneficiaries on these days for OPD consultations. As the present dispensary is at an elevated platform and those old Railway Beneficiaries suffering from joints pain feel painful to climb the stairs, therefore it is suggested and requested that the new dispensary be shifted on ground floor on the first opportunity for the convenience of old Railway Beneficiaries.

Members were apprised that ageing is healthy when we are physically, mentally & socially fit and to check our fitness we should go through certain diagnostic checks at regular interval. If the parameters of our diagnostic checkup are normal it is all well, if any parameter is abnormal, we should rule out the cause on priority. Screening, assessment, treatment (Rehabilitation+Discharge+Planning) and follow up are the four basic mantras of comprehensive geriatrics assessment i.e., Healthy Ageing. 3.4 He informed the members as Chandigarh Railway Station is going to be a world class Railway Station in the near future and we are regularly chasing the matter with the concerned authorities and departments to upgrade the Railway Health Unit at Chandigarh to a Sub Divisional Hospital and to relocate it at a prominent and approachable location, so that Railway Beneficiaries can avail better healthcare facilities. We are also making efforts for a Health-Unit or at least a lock-up dispensary at Mohali Railway Station.

3.5 He requested the members to help the organization in compiling the various memoranda, representation so that the matters concerning pensioners to be vigorously highlighted to all the concerned ministries and departments.

**4. Address of Working President/RSCWS Sh. D.S. Nigah**

4.1 He expressed his concern about the prevailing healthcare system of the Railway, the medicines are supplied in a routine manner and doctor concerned is least bothered about the health condition of the Railway Beneficiaries. Therefore, upgradation of RHU/CDG is important.

4.2 He also expressed his view about the disparity between CGHS and RELHS, despite the amalgamation of Railway budget with the general budget. The various schemes announced for the CGHS beneficiaries are not automatically made available for the Railway Beneficiaries, therefore, system need to be rationalized.

**5. Report of Secretary General/RSCWS, Sh. Harchandan Singh**

5.1 He informed that for the cause of pensioners, last year we have dispatched 21 memorandums to various departments and ministries and in this year up to now 9 memorandums have been dispatched and all these have been published in our quarterly magazine (PRS) for the reference of the members.

5.2 He apprised that regarding healthcare facilities to the Railway Beneficiaries we are regularly chasing matter with DG/RHS and CMS/UMB as a result six private hospitals have been empaneled with the Railway but still some private hospitals are denying cashless treatment to Railway Beneficiaries on account of non-clearance of their bills, this is also being taken up with CMS/UMB and DRM/UMB for early resolution.

5.3 He informed, still there are certain disparities between CGHS beneficiaries and Railway Beneficiaries because facilities provided to CGHS beneficiaries are not automatically made available to Railway Beneficiaries. We are also regularly chasing the matter with DG/RHS and Ministry of Health & Family Welfare to rationalize these disparities.

5.4 He expressed his dissent that despite being nominated in the sub committees the executive members are not performing up to the mark, since this is a voluntary organization therefore, all members to please carry out the assigned work for the betterment of pensioners.

5.5 He said that the duties of RSCWS are to represent grievances of pensioners, to update and aware them about the latest orders and we all have to be involved in this noble cause as a matter of our own satisfaction.
