## FOREWORD

We are pleased to present the Eighth Edition of RSCWS Directory of members in the Tri-City Region—Chandigarh, Panchkula, & Mohali; Kharar, Zirakpur & Adjoining areas and in Rest Of Cities in the country. The previous edition was published in 2022. Since then, several members have updated their contact details, some have relocated themselves, and a few of our esteemed colleagues have sadly passed away; ( We pay our heartfelt homage to them).

In recent years, many new members, including Life Members—especially recent retirees—have joined the RSCWS family. With growing membership and expanding activities, an updated Directory became essential to ensure seamless communication and stronger connections among the members.

Our quarterly journal, *Pensioners' Rail Sampark* (PRS), and our website [www.rscws.com](http://www.rscws.com), continue to keep members informed about Railway developments, administrative updates, and pension-related matters. Medical Matters & Seminars, Health camps, and quarterly meetings, have further strengthened awareness and engagement. This Directory is another important step toward enhancing that communication network.

Healthcare remains a key priority. Several reputed private hospitals and diagnostic centres are empanelled by the Railways for cashless treatment in emergencies and on referral by CMS Ambala. Additionally, RSCWS has signed MOUs with selected hospitals to provide treatment at CGHS rates for OPD, IPD, and in-house diagnostics, on presentation of the valid Membership Card. A detailed list is included for ready reference.

We sincerely thank our advertisers, members, and office bearers for their continued support. We hope this Directory serves as a useful companion and we welcome your suggestions for improvement. We wish everyone good health, happiness & a pleasant, friendly inter-communication.
