NORTHERN RAILWAY
IMPORTANT NOTICE FOR RAILWAY PENSIONERS

Northern Railway is revising the Pension Payment Order of all Pre 2006 Pensioners/Family Pensioners in terms of the Sixth Pay Commission rules. Revision of all PPOs is compulsory even if pension/family pension is already being drawn at revised rates. Unrevised PPOs do not have new rules of admissibility hence pensioners may have problems in drawing pension/family pension in future like benefit of age based enhanced pension/family pension, new categories of beneficiaries in family pension etc.

All Northern Railway pensioners who have not got their PPOs revised as yet may immediately fill up the form below and submit to the Personnel department of the unit from which they retired.
